1. **Proposal from the Department of Nutrition, Dietetics and Food Sciences in the College of Agriculture and Applied Sciences to offer a Bachelor of Science in Dietetics [Resolution 18-06-09] (Appendix I)**

**Action:** Trustee Ferry moved to approve the four academic proposals [18-06-09 thru 18-06-12]. Trustee Hunsaker seconded the motion. The voting was unanimous in the affirmative.

Vice President Cowley explained that this disposal of .07 acres west of the USU Caine house to a privately owned student apartment complex will be used for parking. This sale does not affect the plans for the future Swenson home and gardens. The price for the property will be at full market value.
**Action:** Trustee Ferry moved to approve the proposal for the disposal of property in Logan, Utah. Trustee Nixon seconded the motion. The voting was unanimous in the affirmative.

This 40-acre property with water shares is located adjacent to USU-owned land. This agricultural land will offset the loss of land with an expansion of equine facilities. The purchase price will be at fair market value.

**Action:** Trustee Whitworth moved to approve the property acquisition in Richmond, Utah. Trustee Alder seconded the motion. The voting was unanimous in the affirmative.

Construction of a new horse barn will add additional stall spaces and make the equine program facilities capable to host horse show competitions. The School of Veterinary Medicine will use available funds for the building. No state funds will be requested for capital improvements or operations and maintenance of the property.

**Action:** Trustee Ferry moved to approve the construction of a horse barn, a non-state funded project. Trustee Whitworth seconded the motion. The voting was unanimous in the affirmative.

USU is submitting one state-funded project request for fiscal year 2019-20; a new building to house departments and programs from the College of Humanities and Social Sciences. The proposed building would be constructed in the southwest corner of the Quad. The Department of Languages, Philosophy, and Communication Studies, units of the Department of Sociology, Social Work, and Anthropology, the Anthropology Museum, and Utah Public Radio would be located there. The Quonset Hut would be demolished opening up that space for future use. This proposed building will have an approximate budget of $24,000,000.

Non-state funded projects on the list include: an Information Technology Services Building consolidating the Information Technology Department which is now housed in three buildings; a replacement for the Mountain View Residence Hall, the goal is to construct housing that is safe and desirable for students with an approximate increase of five percent of current capacity; and a Blanding Professional Career and Technology Education Lab.
Action: Trustee Hunsaker moved to approve the Capital Development Priority List for Fiscal Year 2019-20. Trustee Alder seconded the motion. The voting was unanimous in the affirmative.

9. Utah State University 2018-19 Budgets [Resolution 18-06-17] (Appendix Q)

Vice President Cowley gave an overview of the 2018-19 University Budgets and answered questions from Trustees. With healthy state budgets, USU budgets are not being cut and are looking at a slight increase. USU Eastern’s smaller budget is also running in the black.

Action: Trustee Alder moved to approve the Utah State University 2018-19 Budgets. Trustee Ferry seconded the motion. The voting was unanimous in the affirmative.

Chair Burnett asked if there were any other items the Trustees would like to discuss before the meeting closed; none were mentioned.

Action: Trustee Holland made a motion to adjourn the meeting. Trustee Hunsaker seconded the motion; the voting was unanimous in the affirmative.
