Student evaluations are an important part of the assessment of classroom effectiveness. Please respond as honestly and candidly as possible. Please use the back of this page to make additional comments, if necessary.

Classroom Facilitator Role:

The classroom facilitator plays a crucial role in Distance Education. Classroom facilitators interact with faculty and students of diverse interests. Therefore, excellent communication and interpersonal skills are required, including the ability to convey information accurately. Attentiveness is a must! Facilitators assist instructors and students by operating electronic classroom media that is appropriate to the delivery of each class session. Facilitators also distribute and collect class materials, proctor exams and quizzes, and report class needs or problems as they occur.
