

We are pleased to announce the activation of the USU/Utah History Fair Scholarship Program beginning fall 2007. The following scholarships will be provided to students who place in the annual Utah History Fair. In order to use the scholarship, recipients must be admitted to Utah State University in good standing.

<u>Scholarship Amount</u>	<u>Number of Awards</u>
Full Tuition for two years	1 (Utah's top finisher at Nationals)
Full Tuition for two years	Any student who places in the Top 10 at Nationals
\$1,000 for one year	Students who place first in the Senior Division
\$500 for one year	Students who place second in the Senior Division

A list of recipients, as identified by the History Fair Program, will be provided to the USU Admissions Office once selections have been finalized. Recipients may use their scholarship award in addition to any other scholarship they qualify for through the Admissions Office. This agreement is subject to review on an annual basis by both parties.

As a Tier One University in the Utah System of Higher Education, students can expect a qualitatively different undergraduate education here. Utah State will provide extraordinary experiences to apply what students learn in the classroom to the research lab, the studio, the stage, of the field. With the activation of this scholarship program, we hopefully will allow more students to take advantage of the many opportunities Utah State University has to offer.

We look forward to your continued association. If you have any questions regarding these scholarships, please feel free to contact me at 435-797-0077 or jenn.putnam@usu.edu.

GO AGGIES!!!

Office of Admissions
