

NEW Campus Walking Routes

A big *Be Well* thank you goes to the Facilities Planning Committee, Jeff Turley (our map maker), and Erik Ashcroft (our sign maker) for making our USU Walking Routes signage possible. Campus Wellness and the USU Sustainability Council encourage all of you to enjoy our new walking routes.

We welcome you to walk the new routes on your own, enjoy them with a friend, or come join the Walking Club (Wednesdays and Thursdays at noon). We have both a 1.4-mile and a 2.0-mile loop. Our USU campus is beautiful with our blooming flowerbeds (thanks to our landscapers). The fall leaves will be gorgeous.

Look for signs at the following locations: Human Resources, Logan Cemetery, Spectrum, Fieldhouse, Student Living Center, Old Main, Family Life, Eccles Conference Center, Engineering, and The Barn.
