### **Additional instructions for OPTIONS A & B ONLY: When filling out Musicianship Class Information on the Yellow Form**

On the back of the Yellow Form (Enrollment Form), you are required to list the Musicianship Class name, day and time, for each student enrolling in Option A or Option B. To find the correct Musicianship Class for your child:

**...if your child was enrolled in class during Spring 2009**, find their correct 2009-10 Musicianship Class listed on your registration letter. A few classes are offered more than once during the week. If this is the case, you may select the day and time that best fits your schedule.

**...if your child has had some musical training, but has not recently been enrolled in a YC class**, we will need to administer a written theory placement test to determine the appropriate class. The test takes approximately 1 hour. We will be testing during our public registration, Tuesday August 11 or Tuesday August 25 from 6-8 pm, and will gladly test your child at this time. If you and your child cannot attend one of these registrations, please call the office at 797-3018 and we will schedule a private appointment for testing.
