

Keep your smile healthy and bright

With a dental plan from Anthem Student Advantage

Keeping up with dental checkups is just as important as it was when you were a kid. In fact, regular checkups not only keep your teeth healthy, but they also can detect other, more serious health problems. That makes having a dental plan a pretty bright idea — and Anthem Student Advantage makes it budget friendly.

Who is eligible?

Enrollment is voluntary for all registered Utah State University students. Covered students may also enroll their dependents.
