

## General Guidelines for the Diving Boards/Platforms

- Fulcrum wheel must remain in the forward position at all times
- Only 1 person is permitted on the board/platform at a time
- Diving is permitted off the front of the board/platform only
- Divers are allowed only 1 bounce off the springboards
- After diving, users must exit the dive well immediately and to the nearest exit
- Participants must wait for previous diver to move to the side of the pool before diving
- Running, cartwheels, handstands, backwards dives, and activities deemed hazardous by the Aquatic Staff are prohibited
