**\*\*Check the chart. Go across the line with the # of people who live in your home (related or unrelated). See where your income falls.**

**Check your income for the column that says "Twice per month" . We have found this to be the most accurate number to qualify.**

To start, view how many are in your household, and next see where your gross income falls on how often you are paid. If your income is below the amount your student qualifies for Free/Reduced Lunch and you may select Yes. Military personnel do not need to include housing allowance when viewing income. **\*\*If your income falls even \$1 below any of these income numbers-you QUALIFY for GEAR UP.**
