

## NSE Fee Breakdown for One Semester Exchange (fees paid to USU and NSE)

The fees below are based on academic year 2025-2026 costs. If tuition for the semester you plan to study abroad is not yet available, budget the current amount of tuition + 5% estimated increase; fee information for the following academic year comes out in April each academic year prior.

### Application/Placement Fees:

Paid to USU:

USU app fee: \$150

Paid to NSE:

NSE app fee: \$150

**Total Application/Placement Fees: \$300**

### Deposit:

Paid to USU:

**Deposit due 2 weeks after acceptance by USU: \$500**

### Program Fees:

Paid to USU:

	<b>Domestic students studying in another US state or territory</b>	<b>International students studying in another US state or territory</b>	<b>Canada</b>
--	--	---	---------------

Program fee breakdown:

Fees that cover certain charges for the incoming student, just as they will cover these types of fees for you:	\$450	\$575	\$700
Student body fees:	\$474.07	\$474.07	\$474.07
Less the deposit:	-\$500	-\$500	-\$500
<b>Total Program Fee:</b>	<b>\$424.07</b>	<b>\$549.07</b>	<b>\$674.07</b>

### Tuition:

Paid to USU:

Plateau tuition (student body fees will be grouped with your program fee when placed on your account) based on your resident status, off [the tuition tables for the appropriate year](#).

**Differs depending on resident status**

### Insurance:

Requirements vary depending on location

\*For summer exchange only, we are able to do increments of .25. Talk with your study abroad advisor about how that would work for your program of interest.
