Opinion of the Screening Panel

In the matter of

ELECTIONS COMMITTEE v. FOGTH, E.

Before the members of the USUSA Hearing Board

Nicklaus Spaulding
Michael Moore
Braden Ashcraft

March 1, 2022

SPAULDING, N., delivered the opinion of the panel, in which MOORE, M., and ASHCRAFT, B., joined.

HELD

We felt that the short time it was late was relatively inconsequential. This has precedence from the screening panel opinion from *Elections Committee v. Conlee (2022)*.
