About USUSA

The Utah State University Student Association (USUSA) is the hub for student involvement and leadership at Utah State University. As the student government elected by the USU student body, the association works to improve the quality of campus life and enhance student wellbeing. USUSA is an organization made by the students, for the students, and because of students – every student at USU is a member of the association and can actively participate in all activities, committees, clubs, events and initiatives.
