

## Utah State University General Counsel Office

Here is some helpful information for your upcoming visit with our office:

### **Parking and Directions:**

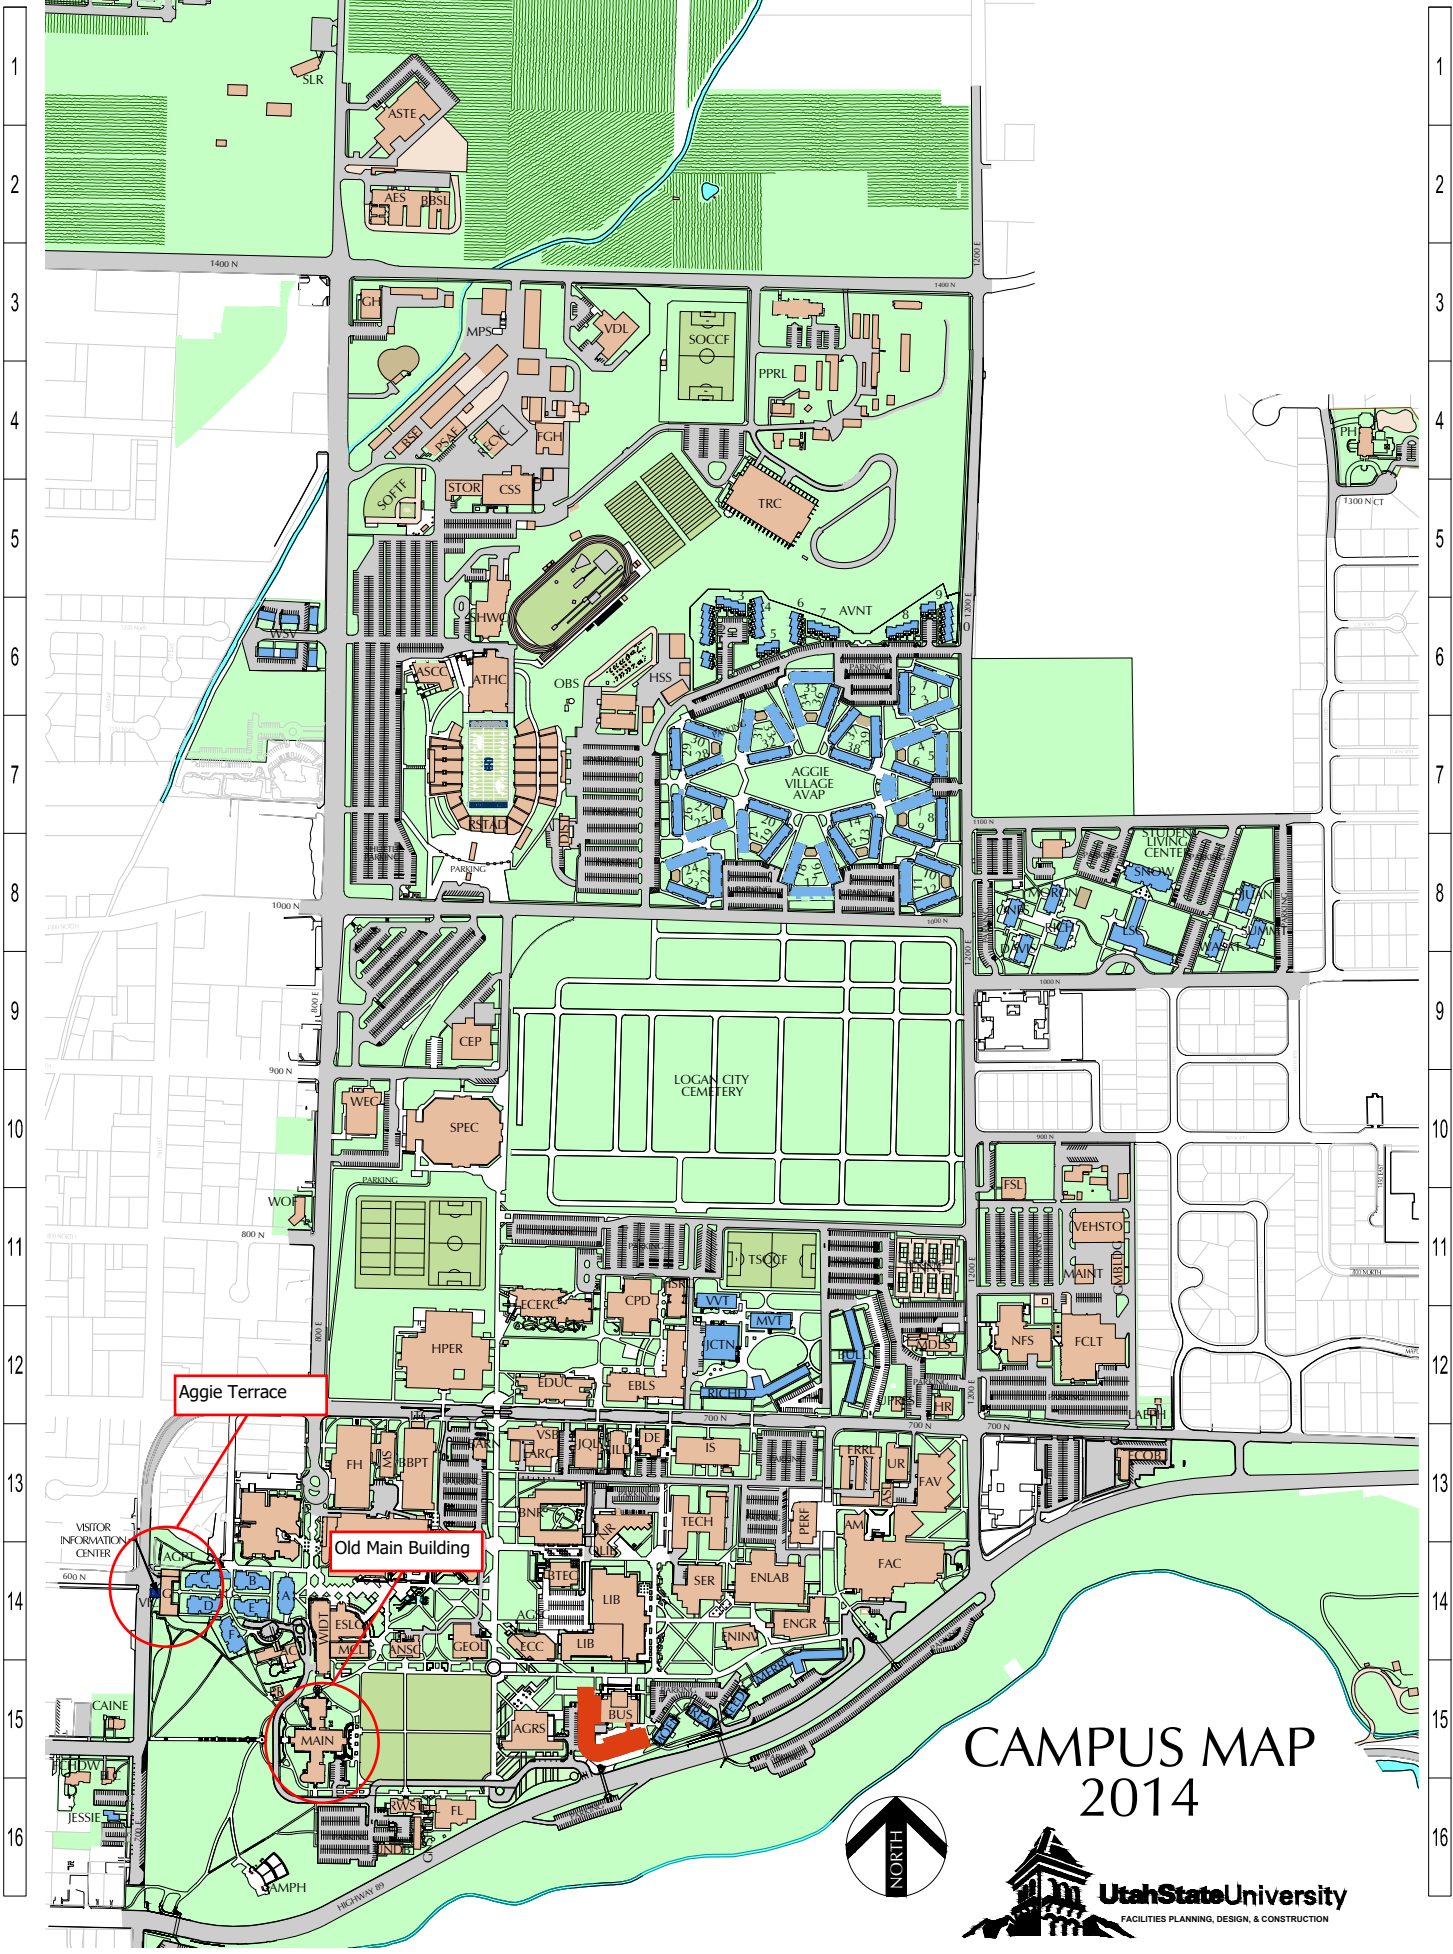

There are several parking options when visiting our campus. For your purpose the visiting our office the best place to park will be in the Aggie Parking Terrace located at the intersection of 600 North and 700 East. When parking if possible park on the south side of the garage and take the elevator or stairs to the Upper Level.

Once you leave the Parking Terrace you will need to go to the Old Main Building. The easiest way to get to Old Main is to take a right when you leave the Parking Terrace and to take another right when you reach the end of the building. Follow the walk way alongside Old Main Hill until you reach the crosswalks on the road. After you cross the cross walk the building right in from of you is Old Main. We are Suite 101 on the first floor.

### **Dining Locations:**

If you are going to be staying on campus for a while there are several locations where you can grab meal or a quick snack. Here is a link for our campus dining options. <https://dining.usu.edu/locations/index>
