<p><b>Your Name:</b></p> <hr/> <p><b>The Last Four Digits of Your Student ID:</b></p> <hr/>	<p><b>General Issue to be addressed:</b></p> <p>Discuss in detail the changes which the invention of drama effected in classical literature. That is, argue that Greek tragedy as narrative in performance altered the nature of telling stories from the way it had been earlier in the classical world. Areas of investigation might include the disposition of plot, the nature of character and hero, types of action, overall tone and the form of poetry.</p>
