Calculators are rented on a first come, first serve basis, with priority to Math & Stat majors, and students currently enrolled in Math & Stat courses. We are located in the Animal Science Building, room 108.

How it works:

- Bring \$40 cash (we cannot except credit or checks) to ANSC room 108
- Fill out required Rental Contract (pg. 2)
- Return calculator no later than one week after your class final

Return Policy:

If the calculator is not returned, lost, stolen or broken; a \$80 replacement fee will be charged and/or an **Academic Hold** will be placed on your student account, restricting you from registering for classes and/or graduating.
