Thank you for supporting your child’s decision to come to Utah State University. It is our commitment that the next few years will be filled with opportunities of learning and growth for your student. I have seen first-hand the personal development that occurs as students actively participate in the learning, discovery, and engagement available at this world-class university. We will also create opportunities for your student to feel that they belong in a community — the “Aggie community”.

Utah State University recognizes you are a tremendous partner in helping your student reach their goals. We thank you for your influence and support, both now and in the future, as your student experiences the successes but also the challenges, that will shape their experience as a learner and a member of our community. Whether you are a returning parent, a first-time parent, or alumni, this handbook will provide you with resources and information to help support your student’s transition to college.

We are excited to have students join us for the college experience that Utah State University offers and applaud them and you for embarking on this thrilling journey. To stay up-to-date on the university’s plans, please visit usu.edu/parents, subscribe to the Aggie parent and family podcast, and join the parent and family network for regular newsletter communications.

Welcome to Utah State, and welcome to the Aggie family.

Sincerely,

Noelle E. Cockett, President
The USU Parent & Family Program’s mission is to serve families through programming designed to equip parents with resources they need to help their student succeed at Utah State University. We do this by providing Parent Orientation, Parent Publications & Podcasts, and Deferment & Leave of Absence outreach.

We provide parents and families these resources to promote student success and independence at any stage in their academic career.

**PARENT & FAMILY BIG QUESTIONS**

No matter what stage of the journey you and your student are on, it’s natural to have questions, like:

1. **How can a university education translate into success for my student?**

2. **How can I intentionally engage in ways to help my student be successful?**

3. **How should my student and I take advantages of resources available?**

You can find the answers to all this and more in this handbook or at usu.edu/parents.

**PARENT & FAMILY OUTCOMES**

To empower parents and families to navigate this new part of their student’s life.

To understand the structure and mission of the university.

To assist parents in helping their student to become a learner.

To learn intentional practices and behaviors parents and families can or should not engage in to best support student’s educational paths.

To discover the resources that are available for parents to help their student succeed.

To help parents become a part of the Aggie Family.

The college years are a time of transition for young people and their parents. There is no way to move through such an important passage without some feelings of dislocation and loss. But information and insight can help parents negotiate this significant and often neglected phase of their children’s lives.

“Letting Go: A Parent’s Guide to Understanding the College Years”

### ADVICE FOR AN AGGIE PARENT

zu.edu/parents/tips

### SOME BASIC FACTS PARENTS SHOULD KNOW:
- People with bachelor’s degrees earn about $1 million more in additional income over their lifetime than those without.
- Financial difficulties are the number one reason students drop out, according to self-reported data.
- Nationally, less than 60% of students who begin a 4-year degree complete it within 6 years.
- Students who feel a connection to campus and engage with co- and extra-curricular activities are more likely to graduate.

### ENCOURAGE STUDENTS TO DO THE FOLLOWING:
- Enroll in USU 1010: University Connections.
- Meet with an advisor to create an academic plan.
- Enroll in 15 credits each semester (or 30 credits each year).
- Complete the FAFSA each fall, even if they don’t think they are Pell-eligible. (Most scholarships require a completed FAFSA.)
- Go to usu.edu/scholarships each December to find and apply for scholarships.
- Get involved with co- and extra-curricular activities (this includes clubs, intramural sports, research with faculty, leadership, etc.).
- Create a 4-year financial plan.

### WHAT USU IS DOING TO HELP STUDENTS GRADUATE:
- The University Catalog has suggested 4-year plans for each major (see catalog.usu.edu and select Degree Maps).
- Thrive.usu.edu helps students do more than just survive. This includes a media library full of stories of persistence.
- USU has a variety of resources found in this guidebook. Student fees help pay for these services, so students should use them.
- For more tips on helping your student succeed at every stage in their college career, visit usu.edu/parents/tips.

WHAT IS CONNECTIONS?
usu.edu/connections

USU 1010: Connections is a two-credit academic course designed to ease your student’s transition to Utah State. Connections is optional but highly recommended to learn exactly what it takes to be successful at USU and beyond. The course ends with a unique luminary procession — a reverse image of the commencement ceremony that will signify the end of their college career — a favorite of many Aggies.

“My instructor was very effective in helping me transition to Utah State University. She helped us know how to read a class syllabus and encouraged us to stay organized. She gave us a taste of different programs we can become involved in, such as the Honors Program, the Service-Learning Program, and the Study Abroad Program.”

• Ease into college life at USU
• Discussing the purpose of higher education
• Discussing habits of mind
• Interactive learning
• Navigating online tools
• Finding classes and resources on campus
• Class of approximately 30 students
• A faculty mentor
• A peer mentor
FINANCES

UNDERGRADUATE COST OF ATTENDANCE

Paying for college can be a source of apprehension for both parents and students. Let us take some of the mystery out of the process by explaining the charges you can expect.

TUITION & FEES

Each year the university publishes a tuition and fee table outlining charges students pay based on the number of credits they take. These charts show not only tuition, but also student fees each student pays per semester to maintain campus services and resources. Some courses also have additional course fees for things not covered by tuition, such as lab supplies or PE equipment.

<table>
<thead>
<tr>
<th>Credit Hours</th>
<th>Resident Fees</th>

</tr>
<tr>
<td>15 Credits</td>
<td>$1,068.21</td>
<td>$1,397.36</td>
<td>$2,830.82</td>
</tr>
</tbody>
</table>

1. In addition to these regular tuition and fees, there will also be differential tuition for certain courses.
2. Students who live out of state are charged special tuition-only rates for online courses.
3. Tuition, such as lab supplies or PE equipment, are also charged.
4. These charts show not only tuition, but also student fees each student pays per semester to maintain campus services and resources. Some courses also have additional course fees for things not covered by tuition, such as lab supplies or PE equipment.

SAVVY WAYS TO FINANCE COLLEGE

1. Complete the FAFSA
2. Apply for scholarships
3. Meet with a financial coach (see pg. 15)

FINANCIAL AID (FAFSA)
usu.edu/financialaid

Complete a FAFSA as early as possible to help you plan financially for the upcoming school year and meet tuition deadlines. The application is free and online at fafsa.gov. Financial aid counselors can answer questions about federal aid, and help you and your student navigate the often-overwhelming process of paying for college.

PELL GRANTS
Money is given by the government based on financial need. Does not need to be repaid.

STUDENT LOANS
Low-interest federal loans paid back over 10+ years after leaving school.

TEXTBOOKS AND COURSE MATERIALS

approx. $200-500/semester (pg. 49)

Save money by shopping around, renting, buying used, or selling books back to the Campus Store at the end of the semester. Course materials purchased at the Campus Store are tax-free.

CREDIT LOAD

Because 12-18 credits are the same price, students can save thousands of dollars in tuition and fees by taking 15 credits each semester, rather than 12. Every student is different, but overall, students who take 15 credits have higher GPAs than those who take less.

STUDENT RESOURCES
usu.edu/smmc/resources

Access online resources to help your student manage their finances.
WHAT IS FERPA?
The Family Educational Rights and Privacy Act (FERPA) is a U.S. federal law that protects the privacy of student educational records. FERPA protects your student’s rights by ensuring we don’t release any information to anyone without their consent; that includes you, as parents. In order for you to have access to this information, your student will need to go to myid.usu.edu, and assign you as a delegate. Visit the website above.

WHAT IS A DELEGATE?
A delegate is especially useful for, but not limited to, students who may be taking a leave of absence from the university for church or military service. If your student plans to take a leave of absence, a delegate can assist them in making a smooth transition back to USU by acting on their behalf.

The adding, changing, or removing of a security phrase and/or delegates is the sole responsibility of the student.

WHAT CAN A DELEGATE DO?
A delegate may act on a student’s behalf at USU, which means a delegate may:

* Have full access to the student’s information.
* Change or update the student’s information, including their password.
* Access the student’s information in Banner (Access), including their grades and finances, and add or drop classes on the student’s behalf.
STUDENT INCLUSION IS OUR PRIORITY

At USU, we are committed to increasing diversity, equity, and inclusion so all of our students have the resources and supports to feel at home in their time here. Some of our programs to aid these efforts include:

INCLUSION CENTER
usu.edu/inclusion

Our students, staff, faculty, and alumni embrace, support, and advocate for every member of our Aggie family. The USU Inclusion Center creates an environment of acceptance, respect, and empowerment. Your students are valued here and their involvement with our clubs and organizations will make us even stronger.

The Inclusion Center provides scholarships, facilities, support, and advocacy for all Aggies. We are made up of five programs that host student clubs and events:

- Adult Learner (students 25 y/o+, gaps in education, have a family)
- Gender & Sexuality (LGBTQIA+)
- (Native American heritage) Indigenous
- Multicultural (students from diverse backgrounds)
- Women & Gender (gender equity)

VETERANS RESOURCE OFFICE (VRO)
usu.edu/veterans

The Veterans Resource Office provides veterans, service members, and their families with the highest level of support as they pursue their academic, career, and personal goals at Utah State University. Through education, outreach, and peer support, we will provide access to available resources on campus, in the community, and through the VA.

SERVICES:

- School certifying officials for enrollment certification
- Veterans’ benefits assistance
- Peer mentoring
- Free tutoring
- Support with call-ups and leave of absence(s)
- Transitioning from service to academic life

LATINX CULTURAL CENTER
usu.edu/latinx

The LCC is committed to empowering all who recognize a vested interest in the Latinx community by focusing on the pillars of academic, educational, personal, and professional growth. It also serves as a communal space on campus for programs and groups that work to mentor and showcase the academic and individual potential of USU students who identify as Latinx or are interested in Latinx culture.

SERVICES & PROGRAMS:

- Latinx Space for Enrichment Research (LASER) at USU
- Latinos in Action (LIA) Chapter
- Free computer lab and printing
- Peer mentoring via Project Motivator
- Tons of fun events
- Help navigating financial resources available
CAMPUS RECREATION
campusrec.usu.edu

Campus Recreation provides wellness and healthy lifestyle-oriented programs, events, and services to USU students.

AGGIE RECREATION CENTER (ARC)

With 105,000 square feet, our state-of-the-art facility offers plenty of features and gives students a space to recharge the body and clear the mind.

- 50-foot climbing wall & rappel ledge
- Indoor/outdoor basketball
- Elevated indoor track
- Weight & cardio rooms
- Lighted sand volleyball
- Fitness studios & classes

AQUATICS

A 6-lane, 25-yard lap pool and leisure pool are available for lessons, recreation, and classes, from water aerobics to kayaking, including special programming like log rolling.

FITNESS & WELLNESS

For students looking to move their body, join a class: Strength & Conditioning, Core, Cycling, HIIT, Kickboxing, Powersculpt, Yoga, or Zumba.

CLUB SPORTS

A competitive outlet for students to test their individual and team skills against club teams from other universities. Sports include baseball, cycling, hockey, lacrosse, racquetball, rodeo, rugby, soccer (men’s), swimming, ultimate, and volleyball.

INTRAMURALS

Students can enjoy co-ed, male, and female-only competitive sports. Students can join a team or create one. Sports include flag football, soccer, futsal, volleyball, basketball, softball, and tennis.

NUTRITION

To improve knowledge, students can meet with a registered dietitian, attend workshops, and participate in cooking demos.

OUTDOOR PROGRAMS (OP)

Located inside the ARC, OP offers all of the gear students need for camping, climbing, winter excursions, or a day on the water.

Our guided trips give a once-in-a-lifetime experience to meet friends, create long-lasting memories, and explore new adventures.

**Aggie First Scholars**
University Inn 103
usu.edu/first-scholars

Aggie First Scholars (AFS) provides peer mentoring and leadership to all first-generation college students at USU. A first-generation college student is any student whose parents or guardians did not have the opportunity to attend college OR did not earn a 4-year, bachelor’s degree in the U.S.

With AFS students experience:

- Weekly communication and events to connect them with peers and faculty in their college, including students who are exploring majors
- Skills development to help them become leaders and mentors at USU
- The option to join the Scholars Pathway to earn USU course credit, gain a peer mentor and apply for AFS specific scholarships

**USU 1050: HABITS OF MIND FOR FIRST-GENERATION COLLEGE STUDENTS**
usu.edu/academic-support/courses

Offers first-generation college students the opportunity to unpack the hidden curriculum of college, like how financial aid works, how to write an effective scholarship essay, and what to do now to prepare for continued college success.

**USU 2160: AGGIE FIRST SCHOLARS APPLIED LEADERSHIP**
usu.edu/academic-support/courses

Specifically for first-generation college students to build important networking and leadership skills to then apply directly for positions the following year. Students explore what internships or jobs are available to them, how to create a professional brand, and how to serve as an effective mentor and leader at USU.

**USU Habits of Mind Courses (USU 1020, 1030, 1040, 1060, 1070)**

Timely one-credit courses that address specific student learning objectives. These classes include topics such as Planning for College Resilience, Learning for College Success, Reading for College Success, and Success in STEM.

**USU 1730: STRATEGIES FOR ACADEMIC SUCCESS**
usu.edu/academic-support/courses

A 3-credit class designed to provide students an opportunity to learn strategies to help them improve their academic experience and performance at USU.

**Supplemental Instruction (SI)**
usu.edu/supplemental-instruction

SI is an academic assistance program utilizing peer-assisted study sessions for challenging first year and general education classes. Free to students.

**TRIO Student Support Services**

UNDERGRADUATE RESEARCH
research.usu.edu/undergradresearch

WHAT IS IT & WHY SHOULD MY STUDENT GET INVOLVED?
Undergraduate Research allows your student to customize their education by following their own curiosity. While getting a degree at Utah State gives each student a foundation of knowledge, research allows them to explore further and delve into the why and how of their chosen majors.

Research allows your student to ask questions that haven't been answered, then gives them the tools to find those answers for themselves. Through research, they can apply their coursework to real-world problems and make direct, real impact in their disciplines. USA has sent more student-led research projects into outer space than any other university, and we have students working in every college and department as they seek out the unknown and add to our existing body of knowledge.

Research is about following passion and curiosity. Involvement in research during their time at USA will give your student invaluable experience regardless of their next steps—making them more competitive for graduate programs, medical or legal degrees, or employment at top organizations nationally and internationally. Research enables students to think critically, develop soft skills that make them stand out against the competition, and take control of their undergraduate degree.

USU RESEARCH
• Utah State University’s undergraduate research program was established in 1975.
• USU’s research program won the 2020 nationwide Award for Undergraduate Research Accomplishments, recognizing USU as a national leader in undergraduate programs for research and creative inquiry.
• Undergraduate Researchers are more likely to receive prestigious scholarships such as the Goldwater, Rhodes, and Udall.
• Students who are involved with research can earn a transcript designation as “research scholars,” helping them stand out on job or graduate school applications.

HOW TO GET INVOLVED
Students have the opportunity to get involved in research in a variety of ways. They may do an independent project, participate in field research, or work in a lab or art studio. Undergraduates may explore research projects before finding a project that they “click” with, and that’s OK! If they are passionate about their research, their project will be more likely to succeed and they will gain more from it. They can conduct research within their major or outside of their major. Interdisciplinary research is encouraged and supported. We want students to explore options and find something that interests them.

One great way for your student to get involved is through the classroom. Students may be inspired by a professor who they would like to work with.

Most instructors conduct research and will welcome a student’s interest in getting involved. A great way to start is by encouraging your student to ask their instructors, “Do you work with undergraduates on research?”

Encourage your student to talk to people within their major. Other undergraduates in your student’s field may have experience with professors or projects that your student may find interesting. They may be able to share their personal experience about what their role was in different projects, what they enjoyed, or things that were a struggle.

Other people who may be able to direct your student are undergraduate academic advisors and honors advisors. The Undergraduate Research Office is another great resource where your student can find additional opportunities.

College and departmental websites may also list research happening in various fields. Encourage your student to look through the faculty profiles in their department, and explore various research projects to see if anything is of interest.

OFFICE HOURS
Mon–Fri: 8 a.m. - 5 p.m.
Sat–Sun: Closed
Many students will need accommodations at some point during their university experience. If your student has used an IEP, 504 plan, or had previous accommodations, the Disability Resource Center (DRC) is an important resource for them. If your student has not used services in the past but they have a medical, physical, or mental health condition that impacts school, the DRC may be able to help.

The Disability Resource Center works to ensure that students with disabilities can fully participate in all the university programs services and activities. Students who have, or suspect they may have, a physical, mental health or learning disability that may require accommodations, should contact the DRC as soon as possible.

It is easy to get started. Just schedule an appointment by calling 435.797.2444. During an initial appointment with an Accessibility Consultant, students will discuss their academic goals, the impact of their disability, and any educational barriers they are experiencing. Using this information, along with any documentation that may be needed, appropriate accommodations will be established.

**Common accommodations include:**

- Extended time on tests
- Reduce distraction testing environment
- Note takers or assistive note taking technology
- Audio versions of books
- ASL interpreting
- Transcribers
- Architectural access
- Accessible on-campus housing

BE OUR GUEST
Professional chefs lead more than 400 student employees in providing healthy and convenient dining options across campus.

For more information on meal plan options, pricing, and purchasing, check out dining.usu.edu.

FRESH FINDS FOR EVERYONE
Dining Services runs and operates 15 locations in addition to our very own bakery and commissary. Your student has plenty of meal options like:

- All-you-can-eat buffets in our dining halls
- Baked goods
- Grab-n-Go protein boxes/salads/fruit
- Cooked-to-order meals at our sit-down cafes

VALUE OF A MEAL PLAN
GET INVOLVED
Shopping, planning, cooking, and cleaning up a meal takes time. Let us do the work so your student can focus on being an Aggie.

EAT BALANCED MEALS
Our dining halls and quick service restaurants offer balanced and nutritious options for every meal, every day.

MEET BEST FRIENDS
There’s no better place for students to meet and connect with their school family than at the dinner table.

GRAB N’ GO
Students should never go hungry between classes. With over 15 operations spread across campus, a quick bite has never been closer.

MEAL PLAN OPTIONS
usu.edu/dining/meal-plans

We know that with students, one size doesn’t fit all. We have meal plans designed for your student’s needs.

BLOCK MEAL PLANS
Anyone can purchase these bulk plans and save money! Choose 25, 50, or 75 meals in either of our two dining halls (The Marketplace or The Junction) with a Block plan. These plans never expire, so they are a great way to invest for a student’s entire college career.

HOUSING MEAL PLANS
For students living in on-campus housing, we offer two specialized meal plans: the Unlimited Meal Plan, which gives unlimited access to our two dining halls, and the Semester 110, where students can enjoy 110 meals in either dining hall each semester. Each plan also includes dining dollars for use in any retail location.

COMMITMENT TO DIVERSITY
Our staff is committed to meeting the needs of individuals from diverse backgrounds, including differences of culture, ethnicity, gender identity, religion, ability and sexual orientation.

CONFIDENTIALITY
Student confidentiality is respected in accordance with the guidelines established by the American Psychological Association. Counseling records are NOT part of academic or university records and are available to no one unless a student provides a written consent. However therapists are required to disclose confidential information when there is a danger to the student or others (including child abuse), or under court order.

ELIGIBILITY
Any student, regardless of credits, is eligible for a variety of services. For individual therapy during fall and spring semesters, undergraduates must be enrolled in a minimum of 9 credits and graduate students must be enrolled in 6 credits to participate.

NOTICE OF NON-DISCRIMINATION
In its programs and activities, including in admissions and employment, Utah State University does not discriminate or tolerate discrimination, including harassment, based on race, color, religion, sex, national origin, age, genetic information, sexual orientation, gender identity or expression, disability, status as a protected veteran, or any other status protected by University policy, Title IX, or any other federal, state, or local law.

For USU’s full non-discrimination notice and additional resources, please see back cover.

SEXUAL MISCONDUCT
sexualrespect.usu.edu
Utah State University works to educate students about ways to prevent sexual misconduct, and to inform students about reporting options and available resources.

All incoming and transfer students at the Logan, Eastern, and Blanding campuses are required to go through an in-person interactive, peer-led training about consent, healthy relationships, sexual misconduct, and ways to create a safer campus. Incoming and transfer students at Statewide Campuses, even online-only students, are required to complete an online course about the same topics. To learn more about the in-person training and online course, visit prevention.usu.edu.

SEXUAL ASSAULT AND ANTI-VIOLENCE INFORMATION OFFICE (SAAVI)
saavi.usu.edu
SAAVI provides free and confidential advocacy and therapy to primary and secondary survivors of sexual assault, relationship violence, stalking, hazing, and bullying.
