DEAR AGGIE PARENT
Letter From The President

WELCOME TO UTAH STATE UNIVERSITY, HOME OF THE AGGIES

We hope the next few years are full of learning and growth for your student, and that you feel welcomed as a member of the Aggie family. As the parent of an Aggie, I have seen firsthand the personal growth that occurs as students participate in the learning, discovery, and engagement available at this world-class university.

Students regularly cite parents among the greatest influences in their lives. We recognize that you are a tremendous partner in helping your student reach his or her goals. We thank you for your influence and support as your student experiences both the successes and important failures that will shape his or her experience as a learner.

Whether you are a returning parent, a first-time parent, or alumni, this handbook will provide you with resources and information to help support your student in his or her transition to college.

Welcome to Utah State, and welcome to the Aggie family.

Sincerely,

[Signature]

Noelle E. Cockett, President

WHAT IS FERPA

The Family Educational Rights and Privacy Act (FERPA) is a U.S. federal law that protects the privacy of student educational records. FERPA limits the amount of information we are able to share with you about your student’s academic and financial records. In order for you to have access to this information, your student will need to go to myid.usu.edu, and assign you as a delegate. To find out more about FERPA visit usu.edu/registrar/ferpa-info

If your student is unable to assign delegates because they are on a Leave of Absence, and you claim your son or daughter as a dependent on your federal income taxes, you can complete the Parent Declaration of Student Dependency form to gain access to their records.

WHAT IS AN AGGIE

Aggie: an agricultural school or college; also: a student at such an institution.

“When I ask people where they went to school, they always reply with, ‘I’m an Aggie’. People do not just graduate from USU; it becomes a way of life. I will forever bleed blue!”

– Sian Smith

“Being an Aggie means you are part of something larger than yourself. You are part of the Aggie family, connected to other Aggies around the world. It changes you forever. It becomes who you are. Suddenly ‘I’m an Aggie!’ takes on a whole new meaning.”

– Scott Olson

SHOW ME THE TRUE BLOODED AGGIE

The mission of the Alumni Association is to contribute to the success of Utah State University by providing opportunities for meaningful, lifelong involvement for its alumni, students, and friends.

A FEW DEGREES COOLER
Contrary to popular belief, college-age students list their parents as one of their top resources for help during this critical life transition. Here are some tips you might find helpful when supporting your student:

- Allow your student to make mistakes, explore interests, and fail a little.
- Encourage them to meet with their Academic Advisor often.
- Know about campus resources so that you can refer your student when necessary.
- Encourage them to take advantage of the student activities over the weekend, rather than always coming home.
- Show genuine interest in all aspects of their life by listening, and not lecturing.

Connections is a two-credit academic course designed to ease your student’s transition to Utah State and prepare them for their college experience. It is an optional course but highly recommended in order to gain an edge and learn exactly what it takes to be successful at USU.

My instructor was very effective in helping me transition to Utah State University. She helped us know how to read a class syllabus and encouraged us to stay organized. She gave us a taste of different programs we can become involved in, such as the Honors Program, the Service-Learning Program, and the Study Abroad Program. She helped us know what to expect and what we needed to do to be ready for college.

– First Year Connections Student

This handbook is designed to be a supplement to the Parent Orientation held before the beginning of the semester. Please use this during and after the orientation in order to stay informed, and as a resource in supporting your student throughout the year.

The college years are a time of transition for young people and their parents. There is no way to move through such an important passage without some feelings of dislocation and loss. But information and insight can help parents negotiate this significant and often neglected phase of their children’s lives.

– Karen Coburn & Madge Treeger

“Letting Go: A Parent’s Guide to Understanding the College Years”
ACADEMICS

Along with graduation requirements listed in the catalog, all students must complete university studies requirements, which are tracked in each student’s Degree Works profile.

WHY STUDENTS NEED GENERAL EDUCATION COURSES

Students and parents sometimes question the need for general education classes that appear to have little to no relevance to a student’s chosen major or career. The data in the table below* demonstrates the remarkable overlap between 21st-century jobs skills and general education outcomes.

GENERAL EDUCATION OUTCOMES

- 99% Written communication skills
- 95% Critical thinking and analytical reasoning
- 94% Quantitative Reasoning
- 92% Knowledge of science, mathematics, humanities, arts
- 89% Knowledge of global world cultures
- 76% Information literacy skills
- 75% Oral communication skills
- 63% Civic engagement and competence
- 68% Integration of learning across disciplines
- 65% Application of disciplines beyond the classroom
- 49% Knowledge of technology

EMPLOYER’S DESIRED SKILLS FROM GRADUATES

- 80% Written and Oral Communication
- 82% Critical thinking and analytical reasoning
- 55% Quantitative Reasoning
- 80% Broad knowledge in the liberal arts and sciences
- 78% Knowledge of global issues, societies, and cultures
- 87% Ethical issues/public debates in their field
- 72% Information literacy
- 82% Civic knowledge and skills for contributing to the community and our society
- 81% Solving complex problems
- 91% Problem-solving in diverse settings
- 56% Knowledge of science and technology

UNDERGRADUATE COST OF ATTENDANCE

Paying for college can be a source of apprehension for both parents and students. Let us take some of the mystery out of the process by explaining the charges you can expect.

TUITION AND FEES

Each year the university publishes a tuition and fee table outlining charges students pay based on the number of credits they take. These charts show not only tuition but also student fees each student pays per semester to maintain campus services and resources. Some courses also have additional course fees for things not covered by tuition, such as lab supplies or PE equipment.

SCHOLARSHIPS

scholarships.usu.edu

With a few exceptions, incoming student scholarships were awarded by the time Aggie Orientation begins. Fall 2017 incoming students were awarded scholarships according to the parameters listed on the admissions page, provided they applied for USU by the deadline. In the future, students can apply for continuing-student scholarships at scholarships.usu.edu. Deadlines vary, but are typically around January or February for the following school year.

Check with your local city offices, financial institutions, and employers to see if they offer scholarships.

STUDENT EMPLOYMENT

Students can find on-campus, off-campus, and work-study jobs through the MyUSU portal. We recommend full-time students work no more than 20 hours per week in order to maintain balance.

SEXUAL ASSAULT PREVENTION
usu.edu/sexual-assault

Utah State University works to
educate students about ways
to prevent sexual violence and
harassment and to inform students
about reporting procedures and
available resources.

All incoming students are required to
go through the Haven Sexual Assault
Prevention and Alcohol EDU programs
prior to arriving on campus. Together
these programs educate students about
sexual violence and alcohol abuse.

SEXUAL ASSAULT AND ANTI-VIOLENCE INFORMATION OFFICE (SAAVI)
saavi.usu.edu

SAAVI provides safe, confidential
advocacy, short-term counseling, and
information about sexual assault, rape,
dating violence, partner violence, and
stalking. When students seek services
through this office, their information is
kept confidential, but non-identifying
information about incidents are shared
with USU’s Title IX office to determine
areas of concern.
