Welcome! This tutorial will demonstrate the various features Banner Faculty Grade Entry. Grades at USU can be entered directly through Banner or passed to Banner from Canvas. All grades should be verified by the instructor in Banner to ensure that they are correct.

If you have any questions about Banner grading, please contact the Registrar’s Office at registrar@usu.edu or (435) 797-1116.

Canvas Grading:
Canvas is used by many instructors at USU to assign grades and sync them Banner (Sync to SIS). Grades submitted through Canvas should be verified in Banner to ensure that they are correct. Canvas grading questions can be directed to the CIDI office at (435) 797-9506.

Getting Started:

Banner Faculty Grade Entry can be accessed from the Faculty Services menu in USU ACCESS:

http://banner.usu.edu/  -->  Banner SSB / ACCESS  -->  Faculty Grade Entry
Once you are successfully logged in to **Faculty Grade Entry**, you will see a list of your courses that are available for grading:
(past and future semesters that aren’t open for grading are not displayed in the course list)

![Faculty Grade Entry screenshot](image-url)
The default display is 10 courses per page so you may need to navigate to multiple pages to view all your courses:

- You can also utilize the search box to find your courses by subject, course, section, title, etc.: 

![Search Box Image]
Columns are sortable so you can click the Grading Status column twice, for example, to sort the courses that still need to be graded to the top of the list:

Grading Statuses Explained

**Not Started**: indicates that no grades for this section of the course have been submitted.

**In Progress**: indicates that some but not all grades for this section of the course have been submitted.

**Completed**: indicates that all grades for this section of the course have been submitted.
You can review the Course Details for the selected course by clicking the arrow (highlighted in red) to the right of the Search box. Course Details will list the course title and section information, how many grades are outstanding, how many have been submitted along with the course dates, primary and any secondary instructors.
Entering Grades

To view the students in a course, click anywhere on the row (highlighted in red) and the students will be displayed below:
Select the grade from the ‘Final Grade’ drop-down menu. Once all the grades have been entered on the page, click ‘Save’:

If there are no errors on the page, you will receive confirmation that the save was successful:
Only students with F grades are required to have a Last Attend Date: (see http://www.usu.edu/registrar/faculty-staff/grading for more information)

Enter the remaining grades on the subsequent pages (if applicable):
You can review the Student Details by clicking on an individual student in the ‘Enter Grades’ section and clicking the arrow (highlighted in red) to the right of the Search box. Student Details will show the student’s photo along with confidentiality indicators and grade roll information. There is also a link to email students directly.
Rolled Column

After you have entered your grades, they ‘roll’ to the student’s transcript daily around 5 pm. Once the ‘roll’ has occurred, the green checkbox will appear on every student in the Rolled column. Once grades have rolled, they can only be changed through the Registrar’s Office using the Change of Grade form in ServiceNow.
After all your grades have been entered, but before they have been rolled, the ‘Grading Status’ should show completed:

After your grades have rolled, both ‘Grading Status’ and ‘Rolled’ should show completed:
