Can changes be made to my transcript after graduation?

**For Associate Degrees**

Changes can be made, however, you will want to keep in touch with your advisor so they are aware of changes being made.

**For Bachelor’s Degrees**

No changes can be made to your undergraduate transcript once your degree is posted. This includes splitting courses, adding minors or emphases, repeating a course, grade changes, etc.

```javascript
$(document).ready(function(){ $('.main-content > .row').wrap('') });
```
