How do I access my 1098T?

Tax information concerning student tuition and other expenses can be found in Banner by January 31st. Click "Tax Notification" in the Student Records option under the "Student" tab. You will be prompted to enter in the year for the tax information you want to see. This will provide the detailed information you or your tax advisor will need to determine what, if any, amounts apply to you for tax purposes.

$(document).ready(function() { $('content .main-content > .row').wrap(''); });
