Advantages of Waitlisting

Waitlisting is the process by which students may sign up for a waiting list for a class that is full.

Waitlisting may provide many advantages to students, instructors, and administrators.

- The biggest advantage to students is that they will be notified when a seat becomes available on a first-come, first-served basis.

- Waitlisting will be advantageous to instructors by removing the need for them to manually sign students into a class, unless the add takes place after the first week of the semester.

- Waitlisting will also be helpful to administrators by allowing them to track the demand for certain courses and better manage curriculum offerings.
How does Waitlisting work?

- Students who attempt to register for a class that is full may put themselves on a waiting list on a first-come, first-served basis.

- When an open seat becomes available, an e-mail will be sent to the “preferred e-mail address” of the student at the top of the waiting list.

- The student will have 24 hours from the time the e-mail was sent to go online and add the class. During this 24-hour time period, the student can add and drop the waitlisted class in the Add or Drop Classes screen in Banner. After the 24 hours has expired, if the student did not register for the waitlisted class, the next student on the list will be notified and have 24 hours to respond.

- Registration Holds will prevent the student from adding a waitlisted class, even if the student was sent an e-mail.

XL = Cross List
XL Cap: How many total students allowed in a cross listed class
XL Act: How many students are enrolled in a cross listed class
XL Rem: How many open seats are available

Example: ENGL 2210 is a class that is cross listed with ANTH 2210 & HIST 2210

You can see that 12 students are registered for ENGL 2210 with a remaining cap of 23. The XL Act shows that there are really 34 students registered for the cross listed courses which leaves 1 slot open for a student to register for. If the XL Cap is zero, then the course is not cross listed.

Waitlist Positions

- When you place a submission to be on a waitlist, you will be assigned a waitlist position on a first come, first-served basis.
- If your waitlist position is number 1 (one), it means that you are next in line to receive an e-mail when an open seat becomes available.
- If you are in the number 1 position when a seat becomes available, you will move into the number 0 (zero) position and an e-mail will be sent to your “preferred” e-mail address in Access (Banner).
- With a 0 position you will be able to register for the class.
Once your waitlist position changes to 0, you will receive an email notification to your preferred email address stating that you can now add the class. You will have 24 hours from the time the email was sent to you to register for the class.
Sample Email

Dear Student (A12345678),

You placed yourself on a WAITLIST for Mathematics 0900 section 002 (CRN: 42407).

An open seat is now available and you must take action by 30-APR-2011 02:17 PM.

- Login into the ACCESS (Banner) system: [www.usu.edu/myusu/](http://www.usu.edu/myusu/)
- Click Student -> Registration -> Add or Drop Classes
- Choose 'Web Registered' to add the class or 'DROP WEB' to remove your name from the waitlist
- Click 'Submit Changes' at the bottom of the page

If you drop the waitlisted class instead of adding it, you can still register for it prior to 30-APR-2011 02:17PM.
- Click Student -> Registration -> Add or Drop Classes
- Type the CRN in the Add Classes Worksheet -> Click ‘Submit Changes’

*** If you add the class be sure to check your account balance. Any unpaid tuition and fees on December 16 at 11:59PM may result in your classes being dropped. ***

Any registration holds that you may have on your student account will prevent you from registering for classes.

If you fail to take action, you will automatically be removed from the WAITLIST on 30-APR-2011 02:17 PM. You will NOT receive a notification of this action.

When you receive a waitlist email notifying you that you can now add the waitlisted class (unless you have a registration hold), there are a few steps you need to take:

1. See if you are registered for the same class, but a different section.

2. If you are registered for the same class, but a different section you need to drop the section you are registered for so you can add the waitlisted section.

3. Make sure that you will not have a time conflict for the waitlisted class you are going to register for.

4. Register for the waitlisted section.

* If you are waitlisted for other sections that you no longer want, PLEASE drop them! This will enable other students to move up on the waitlist.
How the Purge will affect you:

- Students that have a tuition balance at the time of a fee payment deadline may be dropped from their registered classes **AND** any classes they have waitlisted.

- Students that have paid their tuition balance by the fee payment deadlines will not be dropped from their registered classes and may move up on the waitlist.
