

# ENGLISH 2010

FALL 2017

John Engler  
4 SECTIONS  
4 PROJECTS

The course has been centered around 10-week individual research projects designed to teach research, writing, and rhetoric skills.

The course now begins with a research project for

**THE WHOLE CLASS**

focused on a **SUSTAINABILITY ISSUE** and that runs

**CONCURRENTLY AND 3 WEEKS AHEAD**

of individual projects.

Sustainability project promotes long-term **VISION** for designing innovative solutions

*Social media*

*Homelessness*

*Prisons*

Extensive **COLLABORATION** builds sustainable working habits

Class project scaffolds skills for effective **RESEARCH** and **COMMUNICATION** about sustainability

*Education*

**SUSTAINABILITY it.**
