Producing quality Engineers, Managers

Engineering and management education is very much sought after, notwithstanding the huge number of engineers and MBA graduates produced year after year. A good engineering degree where the student is master of the subject is something the latter would cherish, for, this guarantees the student a good job, wherever he goes. Of late, many of the engineers too are opting for MBA to ensure better career prospects. There are quite a few colleges and educational institutions in north Andhra where quality education to produce highly proficient engineers and management professionals is imparted and some of them find place here.

ANITS

Anil Neerukonda Educational Society (ANES) has been founded by Dr.N.B.R.Prasad on August 7, 2000. ANITS established in the Academic Year 2001-02 with the approval of the All India Council for Technical Education (AICTE), New Delhi and the Government of Andhra Pradesh and is affiliated to Andhra University (AU), Visakhapatnam and accredited by NBA.

The college is located at Sangivalasa Village of Bheemunipatnam Mandal. The Institute offers 4-year B.E./B.Tech./P.G. Degree Programmes in Computer Sciences Engineering, Information Technology, Electrical & Electronics Engineering, Bio-Technology, Electronics and Communication Engineering, Mechanical Engineering and M.C.A. Disciplines.

ANITS Student Mr. D. Sandeep has been selected to Utah State University. An MoU has been entered into with M/s. Rocsys Technologies Pvt. Ltd., Hyderabad, a leading Designers and Manufactures of Embedded Systems for providing training in design of embedded systems. Merit- Cum- Means Scholarships are awarded by ANCF (USA), waiver of Tuition Fee for eligible students, Gold Medals are awarded to toppers of all branches, Cash Awards to students of II, III and IV years etc. M.C.A. Course is sanctioned and affiliated to A.U where the admission are opened. Eminent senior professors, many of them with more than 30 years of teaching experience in reputed institutions like IITs, NITs and AU. An experienced and qualified full-time Training and Placement Officer marshals the students to better careers.

AQJ GROUP

AQJ Group of Institutions were established under the Maqbool Hussain Educational Welfare Society, Mohammed Vaziruddin Educational Society and Mohammadiya Educational Society which were formed as a result of the inspiration of Janab Abdul Qadir Jeelani. AQJ Group of Institutions are being successfully administered by four zealous young men who are determined to provide quality Education which is highly demanding and professional especially to the minority students. Janab Siddiqui, Janab Farooqui, along with their Brothers Janab Jafri and Janab Javvad are the pillars of this magnificent edifice of AQJ Group. The institution is approved by All India Council for Technical Education and recognized by Government of Andhra Pradesh is the only Muslim Minority Educational Group in North Coastal

AVANTHI INSTITUTIONS

Avanthi Educational Institutions imparts high quality education and inculcate value-based knowledge in the students. Established way back in 1990, Under the able guidance of M.Srinivasa Rao, chairman of the society, it keeps its forward march towards academic excellence and had set up Degree, Engineering, Pharmacy, MBA, MCA colleges in a number of places in the State. 'India Today' magazine had recognized The Avanthi Degree College in Barkatpura, Hyderabad, as the 'Best Degree College' in the city for the sixth time in a row.

Special arrangements for intermediate students and coaching for placements are the unique features of Avanthi institutions. The 'Avanthi Institute of Engineering and Technology' was established in Makavarapalem near Narsipatnam in 1999. B.Tech courses in ECE, CSE, IT, EEE and Mech branches, MCA, MBA, M.Tech, Software Engineering, Computer Science, VLSI Design Course, are offered in this institution. 'St. Theresa Institute of Engineering and Technology' was established in Garividi in Vizianagaram district in 2001. It is affiliated to the JNTC. B.Tech, ECE, EEE, CSE, IT as also MCA, MBA, M.Tech and VLSI course are offered in this institution.

The 'Avanthi Institute of Engineering and Technology' is at Tagarapuvalasa in Visakhapatnam district in 2005. Besides MBA and MCA, other courses like B.Tech, ECE, CSE, IT, EEE and Mech are being offered at this institute. 'The Avanthi Institute of Pharmaceutical Sciences' was also established in Cherukupalli near Tagarapuvalasa in 2005. It offers B.Pharm course and has sixty seats. After obtaining due permission from the AICTE, New Delhi and JNTU, Hyderabad, the 'Avanthi Technology and Research Academy' was established near Basavapalem in Bhogapuram mandal of Vizianagaram district in 2008. The Institutes, which offers ECE, CSE, IT and EEE courses and B.Tech with 60 seats, has special hostel facilities.

Recognizing the growing importance of technical education for girl students, it has established the 'Sri Gnaneswari Technological and Research Academy for Women' at Kavulavada in Bhogapuram mandal of Vizianagaram district. During 2009, 18 reputed companies had conducted campus interviews and 203 students from the Avanthi Institutions got placements.

ACADEMY OF AVIATION

Academy of Aviation Engineering & Technology in Visakhapatnam offers courses in Aeronautical Engineering (AMAEI), Electronics & Telecommunication Engineering (AMIETE), Computer Science & Engineering (AMIETE), Information Technology (AMIETE) and Mechanical Engineering (AMIME). The course duration is of five / six years depending upon the course chosen for those clearing SSC. For a four-year syllabus for those passing the intermediate with MPC subjects & those with B.Sc. Mathematics and diploma would find entry into a three-year course. Prestigious standardizing institutions have risen to improve the professional values in inland technical education. The All India Council for Technical Education – AICTE, Ministry of Human Resources Development and Union Public Service Commission have lent official recognition to the Institution. The Institution of Electronics & Telecom Engineers take up the honours ECE, CSE & IT Engineering degrees.

The Institute of Mechanical Engineers IME (India) would educate the students of Mechanical Engineering degree. The Institution conducts the Engineering Examination in the Engineering Associate membership name. The AMAeSI affirmed by the oldest and prestigious technical vocational houses matches the B.E and B.Tech the universities confer those completing engineering this way, qualify for GATE, post graduate examination for promotions at work especially abroad. – Compulsory for going International.

There are plenty of job openings for those attaining the AMAeSI. There is scope for crucial postings in organizations like – HAL, Indian Airlines, Air India, Pawan India, DRDO, NAL, Aeronautical Development, ONGC, IAF, Army, Navy & the Indian Coast Guard. The AMAeSI old students are well settled in various prestigious companies in RADAR& Communication project offices, Boeing flight services, Air Works India, Modi Luft Airlines, East West Airlines, International Aero Engineers, Archana Airways, British Aerospace, American Airlines, Jet Airways, Kingfisher and Qatar Airways etc.

ALLIANCE INSTITUTE OF HOTEL MANAGEMENT

Founder of the Institute are the professionals in Hotel Management and is supported by Hardcore group of Hospitality & Management professionals with hands on experience in some of the finest Hotels & Companies in India & Abroad. The college also offers MBA and BBA courses.

The corporate training is a chance to gain further real business experience, often in a new sector and role-helping you confirm your career choices before you apply for the final job. Many trainees are offered full-time opportunities after course completion from the same organisation. The training and placement cell is responsible for conducting campus interviews by domestic and overseas organizations which is having tie-ups with the institute and ensure that the deserving students are well placed in leading Multi National Companies, reputed Organisations, Fortune 500 Companies, Hotels (in India & Abroad). Besides that students will be absorbed into Air lines, Cruises, G.R.E. in Banks, Hospitals, Event Managers etc., with better pay packages.

CAMER

Center for Advanced Management & Entrepreneurship Research with NIS Sparta, a Reliance ADAG Company to start one of its kind integrated Management Program that prepares 21st Century Business Leaders in Sales, Marketing and Entrepreneurship Management CAMER is launching a Quadra Program that has Full Time and Executive Management courses in Sales, Marketing and Entrepreneurship Management.

Apart from MBA/ BBA, these students also get certified by other Global Universities and International Institutions. The MBA and BBA Courses are offered from the AMITY UNIVERSITY, which is India's No.1 Private University, that is UGC recognized. CAMER also brings to Vizag, The NIS Academy, which has already had a successful stint all across the country in training the management graduates with the right knowledge and skills that are job-oriented. In an age of Internet, concepts like Internet and Search Engine Marketing, Google ad words, Online Branding, Promotions and Sales - which are not taught in any other Management Institute are the compulsory modules here in CAMER, that would make the students Google Certified Professionals.

One top performing student will be sponsored by the institute for an 8-week program in one of the global cities like London, Dubai, Singapore, Sydney or Dublin. Our main emphasis would be in the Banking and Financial, Insurance, Retail and Telecom sectors, as these are the futuristic avenues for the right careers. Offers 100% Placement after the students pass through our screening committee. Top 10% of our high performing students will be placed Internationally, opening up their careers in the global scenarios.

MVGR College of Engineering, Vizianagaram

Maharaja Vijayaram Gajapathi Raju College of Engineering is a leading college in coastal Andhra Pradesh for its international benchmark in quality engineering education. It is approved by AICTE, New Delhi and Affiliated to JNT University, Kakinada. The college offers ECE, EEE, MECHANICAL, CSE, CHEMICAL, IT courses at B.Tech. level and M.Tech. Machine Design, MCA, MBA at Post Graduate level. In addition to the existing courses B.Tech. Civil Engineering, M.Tech. VLSI, M.Tech. CSE are under proposal for the current year and awaiting approval.

The college has been granted Permanent Affiliation from JNTU Kakinada. The college has been graded 'A' by NAAC for its instructional and infrastructural standards. The college is under the aegis of 150 years old MANSAS educational trust. On succession, the Trust is under the visionary leadership of Dr. P. Anand Gajapathi Raju as Chairman and P. Ashok Gajapathi Raju as Vice Chairman.

MOUs are signed with various Companies like Vijaya Electricals, Askar Micron Pvt. Ltd., Invensys, Vama Industries Ltd., etc. The R&D cell of the college has been providing good research base for teachers and students to pursue research in their areas of interest and find a chance to contribute something to the benefaction of community. In the current year almost 14 companies held campus selections both on & off and selected around 200 from various branches. The companies are: Infosys, Syntel, TCS, Sonata, Efftronics, Octane Solutions, Adarsh Ship Management, TATA AIG etc. Also, to strengthen the instruction base in the college, the Management prioritizes the Faculty Development Programmes (FDP) inviting expert teachers from various premier institutions of India like IITs, NITs, Universities, and other Professional Agencies of Pedagogical Aspects.

RAGHU ENGG COLLEGES

The renowned academician, Mr. Kalidindi Raghu founded the Raghu Educational Society with the conviction of providing quality education at all levels. The College was established in 2001, affiliated to JNTU, has carved niche for itself in the field of engineering education within a short span.

With the successes achieved through Raghu Engineering College, Raghu Educational Society has established Raghu Institute of Technology (2007) and Raghu College of Pharmacy (2007) in the same campus both of which are affiliated to Andhra University. The Raghu Engineering College has scientifically designed Training Programs focusing on Campus Recruitment Patterns of Major IT giants like Infosys, Accenture, Wipro, TCS, and Sonata Software etc. In addition to training programs, they also had guest lectures by Industry Professionals from Tata Consultancy Services, Infosys Technologies and Wipro Technologies to name a few. In the present global economic crisis, 16 companies visited Raghu Engineering College On-Campus and 2 Off-Campuses for year 2008-09. Apart from major IT giants like Infosys Technologies, Virtusa Software, Sonata Software, Accenture, Wipro,

core companies like Anglo-Eastern Shipping, Medha Servo Drives, Powermech Projects, Infotech Enterprises, have recruited 201 of 230 (87%) eligible candidates for the academic year 2007-08 and 192 of 240 (80%) for the academic year 2008-09.

SANKETIKA VIDYA

PARISHAD

Sanketika Vidya Parishad Engineering College, established in the year 2003-04, has started with branches of Computer Science & Systems Engineering, Electrical & Electronics Engineering, Electronics & Communications Engineering and Mechanical Engineering with intake of 60 each. Later in 2007-08, Civil Engineering was added with intake of 60. Further, 30 more seats have been added to Computer Science Department in 2008-09. The college is branching into post graduation with introduction of M.Tech in ECE and CS & SE with intake of 18 each and MBA and MCA with 60 each.

It is affiliated to the most prestigious Andhra University. About 19,000 text reference books; 44 national & 12 international journals, digital library with INDEST & DELNET access. The college possesses state-of-the-art software 'Ez School' for the entire gamut of administration, fees collection, attendance reports, library, stores, exam results, all on-line. Parents can get updated information on their wards' performance, fee dues etc. as and when desired. The overall pass percentage in 2007 is 78.4%, 2008 is 86.8% and 2009 is 73.6%.

SRI PRAKASH COLLEGE OF ENGG

Krishna's Pragati Institute of Technology under the aegis of SRI PRAKASH Institutions is offering holistic engineering education at Diwancheruvu on NH-5 in Rajahmundry. Sri Prakash group of Institutions has an experience of 30 yrs built a reputation in the state in quality education from school level to Post graduate level. Krishna's Pragati Institute of Technology is located in a serene atmosphere offering courses like EEE, ECE, CSE, IT, Civil (awaiting approval). The college has a separate mineral water plant, separate hostel for boys and girls and a canteen offering hygienic food.

Sri Prakash Educational Society is serving society in particular the rural society in an around northern coastal district from last 33 years. Sri Prakash College of Engineering is established by the society in the year 2001 offering various courses like EEE, ECE, CSE, IT, MCA, Chemical (awaiting proposal). The Smart campus contains all the basic amenities necessary for the student personality including games & sports and co-curricular activities. Sri Prakash College of Engineering is located in Rajupeta (Village), Kothuru (Panchayat), Tuni in East Godavari District. Over 5 batch of students were graduated and have constant placements every year and most of the students have been placed in various MNC's like Infosys, Wipro, IBM, Kanbay, HCL, Value Labs, Satyam, Accenture, Knoah Solutions, Efftronics etc.,

VITAM GROUP OF INSTITUTIONS

VITAM group of Institutions promoted by Viswanadha Educational Society under the leadership of eminent industrialist and academicians Sri V.Narasimham, Sri V.Dhananjay Rao and Sri.V.Nageswara Rao. VITAM group of Institutions are Viswanadha Institute of Technology and Management (Approved By AICTE and affiliated to JNTU), Viswanadha Business School (Approved By AICTE), Viswanadha Institute of Pharmaceutical Sciences (Approved By AICTE and Affiliated to JNTU). VITAM Group of Institutions are located Mindivanipalem Sontyam Mandalam near Highway. Presently VITAM College offers 7 disciplines in the domain of engineering besides MBA and MCA under JNTU.

The VITAM college is accredited for its Engineering branches by National Board of Accreditation in the year 2008. The institute offers B Pharmacy with an intake of 60 students Affiliated to JNTU. Viswanadha Business School (Approved by AICTE) was established in the year 2008 as a group Institution of VITAM with a mission to be a leader in delivering International standard Business Management Programmes which will bring a significant development at industrial and organizational levels by imparting better management practices.

The students are being admitted through a National test MAT conducted by

AIMA. The faculty members of the B School are drawn both from Academic and Industry circles.

The core faculty members are those who have the academic degree as well as industrial experience and also have keen interest to work in the area of Consultancy and research. Brain Storming, G.Ds, Surveys, Project Works and Internship in the Industry. Students qualified in MAT, ICET, CAT can contact the admission coordinators at the city office.
