How to change the background image from the Zoom app

1. Open the **Zoom app**.

2. **Sign in** to your zoom account.

3. Click your **profile picture** on the top right corner of the app.

4. Click on **Settings**.

5. In the left menu bar, click on the **Virtual Background** tab.
6. You can select the default photos or upload your own image.

7. To add your image, click the + icon to upload the image from your computer.
How to change the background image after joining a meeting

1. At the bottom of the meeting controls, click the up arrow next to Start Video or Stop Video.

![Select a Camera](image)

2. Select Change Virtual Background.

![Virtual Backgrounds](image)

3. In the Virtual Background tab, select one of the default images or upload your image.

4. Click the + icon to upload your photo from your computer.
How to change the background image on your mobile app

1. Open the Zoom app on your phone or tablet.
2. Sign in and join a meeting.
3. Tap the three dots at the bottom right to open more options.
4. Tap Virtual Background.
5. Select the default image or upload your own by tapping the + icon.
