

Join GroupMe to connect with other UCC members and alumni!

Note: our team also has access to the chat, so don't say anything you wouldn't want one of us to read. Additionally, by posting pictures or videos in the chat, you consent to their use on UCC social media.

To sign up:

1. Download the GroupMe app on your phone.
 - There is a desktop version, but it tends to run slower than the mobile app.
2. Create an account, if you don't have one already.
 - It will ask you for your email, name and phone number. You'll need to verify your phone number, but this won't be visible to other users.
3. Once registered, enter a display name.
 - Your display name should be what you listed on your application (John Doe), so we can confirm you're in the chat.

After you've completed the above, click [here](#) to join our UCC Group Chat.

Please reach out to uccrecruiter@usu.edu with any questions or concerns!
