## Care About Childcare

Dear Carrie,

### **Care About Childcare (CAC) Courses Discounted for October, November and December 2020!**

The Office of Child Care (OCC) is committed to supporting youth and early learning professionals during this time when finances may be less stable. All CAC courses have been free of charge since July and will continue to be available at a discounted rate of \$5.00 each from October through December 2020. Check the calendar [HERE](#) often, as discounted courses will be posted on an ongoing basis.

To increase accessibility during this time, all courses are offered as live, virtual training. If you change the drop down option to “statewide,” you will be able to register for any of these virtual courses throughout the entire state of Utah. Space is limited, so please only sign up for classes you will attend. If you find that you are unable to attend a course you registered for, notify the host CAC as soon as possible so that another person may receive the opportunity to participate.

Please contact your local Care About Childcare agency for any questions. Contact information can be found [HERE](#).

### **NEW! Early Learning Standards – Strategies and Activities Posted!**

As was recently announced, the new Early Learning Standards for ages 3-5 have been approved by the Utah State Board of Education (USBE) and are replacing the Early Childhood Core Standards that were written in 2013. You may view and download the new standards on USBE’s website [HERE](#).

Today, we are pleased to announce that the accompanying strategies and activities for the new standards have been added to the Preschool Pioneer website and can be found [HERE](#).

*Please note that if you unsubscribe from this email, you will be unsubscribing from all emails sent out by URPD, CAC and OCC. This would include emails relating to grants, childcare subsidy and professional development. Please contact your local [CAC office](#) with any questions or concerns about emails you receive.*
