

This email was sent on 5/29/2020 to all Facilities and Caregivers (with the exception of Registered Teen Programs) on the Care About Childcare database.

Care About Childcare

Dear Carrie,

The Office of Child Care (OCC) is committed to supporting youth and early learning professionals during this time when finances may be less stable. OCC has received money through the federal CARES Act, which can be used to assist with professional development during the pandemic.

Because of this, OCC and Care About Childcare (CAC) will be offering all CAC courses free of charge from July through September 2020!

You can find the CAC calendar [here](#) to register for these free courses. To increase accessibility during this time, all courses are offered as live, virtual training. If you change the drop down options to “statewide” you will be able to register for any of these virtual courses throughout the entire state of Utah.

Space is limited, so please only sign up for classes you will attend. If you find that you are unable to attend a course you registered for, notify the host CAC as soon as possible so that another person may receive the opportunity to participate.

Time to get some professional development hours!

Please contact your local Care About Childcare agency for any questions. Contact information can be found [here](#).

Please note that if you unsubscribe from this email, you will be unsubscribing from all emails sent out by URPD, CAC and OCC. This would include emails relating to grants, childcare subsidy and professional development. Please contact your local [CAC office](#) with any questions or concerns about emails you receive.
