Care About Childcare

Hello Carrie,

We are excited to announce that Care About Childcare Career Ladder classes will now be offered as **Statewide Virtual Training!**

Classes will be hosted live through an online platform where you can interact with the instructor and other participants.

Please go to careaboutchildcare.utah.org/training to view and register for upcoming classes being offered.

To participate, you must have webcam capabilities with microphone and audio. Cell phones, tablets, laptops and desktop computers are suitable as long as they have these capabilities. Most laptops, tablets and smartphones work well since they already have a camera, microphone and speakers built in. Participants will be required to sign an updated Code of Conduct for Live, Virtual Training.

For more information, please contact your local [Care About Childcare](#).
