6 Things to know if using the CH.1606 Montgomery Selected Reserve GI Bill

01 Verify your attendance at the end of each month you are enrolled in classes: Call 1-877-823-2378 or go online, https://www.gibill.va.gov/wave/index.do
You will NOT receive your payments if you do not verify your attendance.

02 Submit a new Veterans Progress Form/Class Certification Request when you register, add or drop classes for each semester. Certifying officials need to check that the class can be certified.

03 Training Time/Monthly rate
- Full time: $407.00
- 3/4 time: $305.00
- 1/2 time: $203.00
- Less than 1/2 time: $101.75
04 Eligible individuals receive payments for 1606 kicker payments on a monthly basis. The Kicker is part of your enlistment contract. If you feel you are not receiving the amount you are entitled to, go to "Submit a Question" feature at https://www.benefits.va.gov/gibill/

05 Maintain an active E-Benefits account to monitor the status of your GI Bill®—how much you have used and how much you have left.

06 Call GI Bill® Hotline with any questions 888-442-4551
