Rural Connections May 2014

*Rural Connections*, the magazine of the Western Rural Development Center, is published to provide research-informed inspiration on timely research and activities by the West’s land-grant institutions and regional/national agencies as it relates to rural development issues in the region. Contributors include researchers, faculty, Extension researchers, specialists and agents, practitioners, and professionals from throughout the West with occasional contributions from outside the region.

**IN THIS ISSUE:** Extension Sustainability Outreach; The Sustainability Revolution; Land Use and Sustainability in the West; The Imperatives and Challenges of Addressing Climate Risk in Cooperative Extension Communities; Extension’s Role in Improving Water Resource Sustainability; Sustainable Food Systems; and Energy Extension is Central to Sustainability.
